

Ms. Lourdes Marina Padilla

Lourdes Marina “Lody” Padilla is the Program Coordinator of the Philippines-Australia Community Assistance Program (PACAP), the small grants community support facility of the Australian Agency for International Development (AusAID). As Program Facility Coordinator, Lody is responsible for the day-to-day operational management of the program. She manages, supervises and provides overall leadership in operations, and ensures that the grant funds go to worthy projects, contributing to the development of the Filipino communities and peoples.
